

## **ADDENDUM 03: PLEDGE OF CONDUCT**

**I, the undersigned, hereby make the solemn pledge to faithfully do, practise, and carry out the following, which is justly expected of me as a Seminarian at the Lutheran Theological Seminary in Tshwane:**

- Conduct myself in accordance to 1 Tim. 3:1-3 and Tit. 1:5-9, which is generally befitting the witnesses of Christ (Phil.1:27) and can be expected specifically of every student preparing to become a pastor or deaconess in the Lutheran Church;
- Participate punctually in Lutheran devotions and services as offered at the LTS in Tshwane during the week and on Sundays;
- Faithfully practise personal meditation on God's Word and continual prayer;
- Prepare diligently for the various classes, practicals, tests, and exams;
- Practise Christian fellowship by being respectful, considerate, punctual, and accommodating to other students, faculty members, visitors, and all people at the LTS;
- Subject myself to counselling and discipline by the LTS faculty if needed;
- Carry out tasks and duties willingly and positively as assigned to me by the House master, student representatives, administration, and faculty staff – and volunteer to help keep and maintain the LTS facility clean, tidy and inviting;
- Project a good and positive image to uphold the dignity of my special calling as a prospective pastor or deaconess of the Lutheran Church; and
- Continue to work in the service of my supporting church as many years as they have supported me or otherwise repay all the student fees provided for my studies by the Seminary.

I understand and agree that I am bound to the complaints procedure and also to the Disciplinary Codes & Procedures of our Seminary.

**So help me God, Father, Son and Holy Spirit, Amen.**
